Instructions

Students are required to write a 250-300-word reflective report evaluating their experience working with AI and critiquing AI-generated feedback. The report should justify the changes made (or not made) to their ACE final paper based on AI suggestions.

Steps:
1. **Select an AI tool**: Use one of the available tools on the [HKBU GenAI Platform.](#)
2. **Input Prompts**: Refer to "**1.3 Academic writing: AI prompts for refining the draft**" (page 5) for suggested prompts to refine your draft.
3. **Evaluate Critically**: Assess each output or feedback using the **ACE Final Checklist** (page 1). Do not accept AI suggestions blindly.
4. In the report, you should:
   a. Justify why you **accepted or rejected 2-3 AI suggestions.**
   b. Include **original and revised versions** of the sections where AI was used.
   c. Attach the **full chat history** as an appendix (at the end of the report).
5. Submit the report to Moodle by **5 Dec (6 p.m.**).
